## Sons Of Norway Solglyt Lodge

Of interest to Lodge members and friends is the wedding of Miss Orla Sannes and Mr. Svend Tychsen, solemnized Saturday, Dec. 27 at Central Lutheran Church. Rev. G. Hope performed the double-ring ceremony for the daughter of Mr. and Mrs. O. Sannes of Hazlitt, Sask. and the son of the late Mr. and Mrs. R. Tychsen of Sonderborg, Denmark.

The bride wore a waltz-length gown of white lace over taffeta, styled on princess lines with lily point sleeves and bodice trimmed with iridescent sequins. Her fingertip veil was gathered to a matching headpiece of sequins. She carried a cascade of red roses and stephanotis.

Mrs. Oscar Haukeness and Miss Anne Berild attended the bride wearing identical dresses of contrasting shades of rose and blue with matching feather bandeaux. They carried colonial bouquets of carnations matching the tones of their gowns. Mr. Borger Jorgensen attended the groom and Mr. Arnold Sannes and Mr. Svend Pedersen were ushers.

Following the ceremony a reception and dance were held in the Isle of Capri for 75 guests.

Mr. and Mrs. Tychsen are making their home in Edmonton at 10712-148 St.

Mrs. Elise Stephenson had the misfortune of breaking her ankle and is now convalescing at home. Our sincere wishes for a speedy recovery go to Mrs. Stephenson.

On the sick list too this month is Mrs. Algot who spent some time in the Misericordia Hospital. We look forward to seeing her up and around with us again shortly.

We are glad to learn that Mrs. Mary Rickstad is well again.

Members who are acquainted with Mr. and Mrs. Bert Hadwick will be interested to know that they are now living in Whitehorse, Yukon. In their letter to Mr. and Mrs. S. Sorenson they told how much they enjoyed reading the Scandinavian Centre News and hearing about the progress of the Lodges. The couple and their three children find life in the north very different and interesting. They wished to send greetings to their friends in Edmonton.

Curtis Lyder, infant son of Mr. and Mrs. K. Svidal, was Christened on Sunday, December 28th at Metropolitan United Church. Honoring the occasion, Mr. and Mrs. Svidal entertained at an open house during the afternoon.

Miss Irene Lagergren was unable to do any skiing at Jasper during the New Years week-end due to the rain and icy condition of the mountains.

Mr. and Mrs. Erik Strom have returned to Norway.

Lodge members are sorry to see Mr. and Mrs. N. Sanders leave Edmonton. However we wish them success and happiness in their new home in Seattle.

## DANIA (Danish Society)

Dania's New Year's party held January 10th at Highland's Community Hall was a great success. The attendance was very good and we are happy to note that more and more people are coming to our parties, as proof of the popularity of these functions. Everyone had a good time, enjoying the dancing to good music; the novelties, spot dances as well as the punch made by "Uncle Tom". Aage Jensen was the lucky winner of the food basket so kindly donated by the Scandinavian Meat Market.

Quite a number of persons took out their memberships in Dania for 1959. Remember, a membership card amounts to a 50c saving when attending any Dania social functions — so get yours without delay.

**MASQUERADE** — The Dania Valentine masquerade will be held Feb. 14th at 8:30 p.m. at Highland's Community Hall, 11333-62 Street. Come and bring some friends and remember it will only cost \$1.00 if you are a member. As usual there will be many good prizes.

**DANIA SOCCER:** Members of Dania Soccer Club are informed that practise is already under way at Oliver School, 117 St. and 102 Ave. every Wednesday from 8 to 10 p.m. Anyone who wishes to (Continued on Page 3)

## TODAY

I've shut the door on yesterday.  
Its sorrow and mistakes,  
I've locked within its gloomy walls  
Past failures and heartaches;  
And now I've thrown the key away  
To seek another room,  
And furnish it with hope and smiles  
And every springtime bloom.

No thought shall enter this abode,  
That has a hint of pain,  
And every malice and distrust  
Shall never therein reign.  
I've shut the door on yesterday  
And thrown the key away;  
Tomorrow holds no doubt for me  
Since I have found today.

## TRAVELOGUE

As we slowly approached Helsinki, "The White City of The North," I knew right then that this would be a trip I would never regret nor forget. The crowd of smiling faces assured one of the friendliness of the Finnish people as they came to meet us at the harbour.

Finland, the land of the thousand lakes, is a land to explore in a tourist sense. It is a beautiful country with predominating color scheme in summer being green with silvery blue; greenness of the meadows against silvery blueness of the sparkling waters. There are many interesting and scenic places in Finland, but the most scenic place in my opinion is Aulanko. The Aulanko Hotel and National Park are situated in the neighborhood of Hamenlinna, the native town of Sibelius. Here in Aulanko one can fully enjoy "the sunny days as well as the wonderful nights of the northern summer in a magnificent setting, of picturesque lakeland."

As I travelled on, I found Stockholm, Sweden, a very pretty city with its many parks as well as its medieval and modern buildings. One of the most impressive architectural structures is Engelbrekt Church which is the most beautiful church I have ever seen.

Copenhagen could well be called the "Paris" of Denmark. One can truly say that it is a city of gayety with tivolis and fun loving people.

Belgium with green meadows and old-fashioned citadels brought to my mind the medieval times. Of course, one cannot forget the Brussels World's Fair. Millions of people who saw it are probably still amazed at what a human being

From the Secretary's Desk

To date the problem of finding a suitable site for the "Centre" has met with negative results. Four sites acceptable to us have been turned down before reaching City Council; and all except the first was originally suggested to us by city officials.

For 1959, we are anticipating positive results. The directors and the shareholders of the Centre, as well as city officials are unanimous in the belief that we have been pushed around long enough — and that now something positive must be accomplished.

The directors and shareholders of the Centre still feel that the Borden Park site is the ideal location.

The area, commonly referred to as the Borden Park Site, is a triangular piece of land on the south side of 112th Avenue, adjacent to Borden Park proper. It is proposed that the Centre itself be built near the west end of this area, facing eastward or toward Borden Park. The rest of the area would be developed as a park to blend into Borden Park itself.

This location for the Centre is ideal for many reasons. It is centrally located and easily accessible from any part of the city. There are parking facilities, and, therefore, cannot congest traffic at any time.

The recreational features of the Centre will fit well in the park environment. There will be tired businessmen who will avail themselves of the facilities of the Finnish "Sauna" Bath.

The Smorgaasbord Resturant will be an added facility for those who attend the games at the Edmonton Gardens. Now, most people have to go to the centre of town in order to get restaurant service.

Then too, the Centre placed in this location will be an added tourist attraction. Here they can see a little bit of Sweden, Norway, Finland, Iceland or Denmark in the various salons, and end the day with a delicious "Smorgaasbord" in true Scandinavian flavour.

Finally, and most important perhaps, is the fact that a modernistic, well-designed Centre will enhance the beauty of the adjoining Borden Park area. Dr. Minsos, well known city architect is presently designing a building, which will be ultra-modern, and a thing of beauty and dignity. What an asset this will be to our ever-growing community of Edmonton.

To our readers, let it be understood that this is a co-operative enterprise by Scandinavians for the benefit and good of the whole Edmonton community.

Do you want the Centre? Do you want the Borden Park site? Then talk about it. Let your wishes be known to the people who can help make the Centre a reality!

is really capable of doing. The vast, sparkling sphere called "The Atomium" is only one of the miraculous examples of this.

Amsterdam, Holland, with its picturesque canals which web the city is an impressive metropolis full of gay people. Amsterdam is really "a city with both character and atmosphere, faithful to its historic past but also keeping pace with modern progress."

Germany, in my opinion, is also a very beautiful country, with miles and miles of fertile farmland and fast growing cities which are modern in architecture but still showing many signs of terrible ruins of the war.

At the time when the boat left Gothenburg for New York, I felt quite sad. Even the rocky archipelago at the mouth of the Gota

Report News Meeting

A meeting of the Editor and Correspondents of the Scandinavian Centre News and three members of the executive of the Scandinavian Centre Co-operative Association was held Jan. 12th. This meeting was called by the Editor, Mrs. Simmons for the purpose of discussing changes in the administration of the paper. Mrs. Simmons acted as Chairman and Miss Verna Kvarnberg as Secretary. The main topics on the agenda were as follows:

1. The naming of an Assistant Editor for the paper. Mrs. Ann Sahuri accepted this position.
2. Request for a Business Manager to look after accounts, collections, billing, etc. Mr. Lennart Petersson agreed to act in this capacity.
3. A request that the editor be relieved of the work of typing mailing lists and addressing papers and that Sun Publishing Co. be asked to handle this work in future. A motion was adopted that a recommendation covering the motion be presented to the members of the executive of the Scandinavian Centre Co-operative Association for their consideration at a meeting the following day.

Other items discussed concerned mainly duties of the correspondents, and ways and means of dealing with the different problems which have come up. As a result of the talks the work of putting out the paper will be shared to a greater extent than heretofore, duties more clearly defined and a better understanding established between the members of the staff; all of which should lead to more efficiency in operations.

An old car is traded in on about 85 per cent of the new car purchases.

To Our Readers

This is the fourth issue of the the Scandinavian Centre News and we want to thank the readers who have come forward with kind remarks, comments and suggestions regarding this new venture. Reactions to the paper have been encouraging and we are beginning to hope that in our humble way we are rendering some small service to the different groups representing Scandinavian people in our community and to others who are among our readers. The correspondents have been most co-operative in bringing in news & advertising and we want to say "thanks" to them; also to the executive members of the Scandinavian Centre Co-operative Association for their patience and help throughout our time of trials and errors. Trials and errors will persist, but through sharing of work and increasing efforts we hope in time the result will be more satisfactory.

We wish to thank our advertisers for their continued support and at the same time urge the readers to patronize them whenever possible and when doing so they are asked to mention the fact of having seen the advertisements in our paper.

You are reminded that this is YOUR paper and we suggest you make use of it. You can make it more interesting. Please write or telephone any news of births, weddings, deaths, sports events, community efforts etc. to your correspondent or the editor as well as items of popular interest which you might notice in your Old Country papers, translated of course to English for the enjoyment of all

the readers. Also, if you have a gift for writing poems, send them in.

And finally, in order to maintain our present circulation, kindly notify your correspondent or the editor of any change in address well in advance of each issue of the paper; and to boost circulation, send in the names and addresses of persons who might enjoy having the paper.

## Garden Of Eden In Persian Gulf?

MANAMA, Bahrein — Danish archaeologists working on this British-protected Persian Gulf island believe it may have been the Garden of Eden.

Dr. Geoffrey Bibby, a British member of the team, told a press conference Monday:

"It is overwhelmingly likely that Bahrein was the legendary city of Dilmun, which is mentioned in the Gilgamesh Epic as the abode of Adam and Eve." Bibby said the Epic — inscribed on rock tablets nearly 4,000 years old referred to Dilmun as a desert spot made fertile by a God-given spring.

The archaeologists, he added, have confirmed that Bahrein became fertile several thousand years ago following a desert period.

WHAT'S COOKING

FISH BALLS

(Fiskekroketer)

Melt 2 tbsps. butter in saucepan over low heat. Blend in ¼ cup flour, 1 tspn. salt, ½ tspn. pepper. Heat and stir until mixture bubbles. Add gradually 1 cup cream. Cook until thick. Cool.

Meanwhile flake finely enough cooked fish to yield 3 cups (cod, trout, fillet of sole or whitefish). Add to cream mixture along with 1 egg yolk.

Shape into small balls. Dip into 1 egg white and 1 whole egg which have been slightly beaten. Roll in fine bread crumbs and deep fry in heated fat until lightly brown. Remove, drain and place on absorbent paper. Fry only enough at a time so they are not crowded in pan. Makes about 4 doz. fish balls.

farewell and the New Year 1959 was heralded in with traditional gaiety at the first Sons of Norway New Year's Eve Frolic. Mrs. R. Sivertsen, Mr. E. Halberg and Mr. K. Svidal are highly commended for their arrangement of the evening's entertainment.

Brightly colored hats, balloons, horns and whistles gave the party a true New Year's Eve atmosphere. Adding greatly to the enjoyment were the visits to the attractively laid out Smorgasbord table.

The committee in charge regret that the building was not large enough to accommodate all who wished to attend. It is their hope that arrangements will commence earlier for this year's celebration and a larger place will be booked well in advance.
